Subject: Request for Official Email ID for Nextronix Club

Respected Sir,

I am writing to formally request the creation of an official email ID for the Robotics Club of our institute, Nextronix. As the club is actively involved in various technical and outreach activities, having an official email address will streamline communication for event coordination, correspondence with external organizations, and managing internal documentation.

We propose the following email format, if available:
nextronix.utd@csvtu.ac.in or roboticsclub.utd@csvtu.ac.in

Thank you for your support and encouragement towards student-led technical initiatives.

Sincerely,

Hridyesh Kumar

Vice President, Design and Technical

Nextronix Robotics Club

UTD CSVTU
